

Checklist for Therapeutic Use Exemption (TUE) Application:

Musculoskeletal Conditions

Prohibited Substance: Systemic glucocorticoids and narcotics

This Checklist is to guide the athlete and their physician on the requirements for a TUE application that will allow the TUE Committee to assess whether the relevant ISTUE Criteria are met.

Please note that the completed TUE application form alone is not sufficient; supporting documents **MUST** be provided. A *completed application and checklist DO NOT guarantee the granting of a TUE*. Conversely, in some situations a legitimate application may not include every element on the checklist.
